It's unclear what cheats don't work at this point (the official Sims 4 FAQ said not all cheats work with the console version), but most do. To use the cheats that you need for your shift-click pc, press A and B on Xbox One or X and O PS4 simultaneously to perform this function on your console. While motherlode and rosebud are beloved cheats, an easier way to get your sims into Simoleons is by entering Money X on the X to see the amount you want to give your household. You can also use this to withdraw money from your household. Money # - Set the household Simoleons a specific amountmotherlode - 50,000 Simoleonskaching / Rosebud - 1000 SimoleonsThe Sims 4 official FAQ says that the seasonal events of the NPC Jessica Holiday are not currently planned for The Sims 4 console, but the items from previous events (such as Sugar Skulls, Holiday Cracker Plush, Decorative Eggs, and Magic Beans) are still in play. You can get them using cheats. For cheats, make sure you're in Live Mode and open the cheat box. Type bb.showhiddenobjects and send it. Then go into Build mode. Choose The Decorations tab from the Objects by Function menu. Go to the misc decorations, scroll through all the new items and you'll find Sugar Skulls and other event collections. Buy them, drop them in the world, and sims up the items in your inventory to have them added to your household collections. Activating cheats does not disable achievements and trophies.
